

Here is my "empty but live" project submission!

- **Live URL:** <https://flyrank-ai-fluency-internship-portf.vercel.app/>
- **Stack:** I created a repository on GitHub and deployed it using Vercel.
- **Verification:** I have verified the live URL on my mobile device. The site is fully reachable
- **Preparation:** My Claude Project is now fully loaded with my Identity Kit, the case studies, and my Content Map. I am completely ready for the build phase next week
